APPLICATION CHECKLIST

1 CHOOSE YOUR DEADLINE

Decide if you'd like to apply Early Action (**Nov. 1**) or Regular Decision (**Feb. 1**).

For more information visit the website:

2 CONSIDER YOUR STANDARDIZED TEST SCORES

We are a test-optional school, and choosing not to submit your scores does not negatively impact your application. If you choose not to submit your scores, you will apply as test-optional. If you believe an SAT or ACT score would complement your application, you should submit your scores. Standardized test scores are otherwise entirely optional and in no way required for admission.

3 APPLY USING THE COMMON APPLICATION

Temple University exclusively uses the Common Application. When applying for the Temple Japan Entry Year Program, be sure to use the **Temple University, Main Campus Common Application** and select "**Japan Campus (First-Year Program in Japan)**" as your campus choice.

Note: Applicants intending to start and complete their degree at the Japan Campus should apply as a degree-seeking student directly through the Common Application for Temple University, Japan Campus.

After submitting the Common Application, you'll need to submit additional information through the Applicant Portal, including your self-reported high school transcript, confirm your SAT or ACT scores have been received, if you chose to provide them, and any additional information or materials you may be asked to submit.
