

**Temple University, Japan – Tokyo and Kyoto  
Examination Schedule, Summer 2026, July 23 - 29**

Friday July 17 is the last day of Undergraduate classes. Final examinations may not be scheduled on study days (July 21, July 22, July 25, July 26) or in the last week of classes. Thursday, July 23 to Friday July 24 and Monday July 27 to Wednesday July 29 are reserved for final examinations only.

All in-person, online/virtual and hybrid classes will have final examinations according to the schedule below. Exams for in-person and hybrid classes will be held in their regular classrooms, unless the class is informed of an alternate location.

Exams are listed below as 3 credit, 4 credit and Studio Art.

As of Summer 2026, hybrid classes will take place in person on the relevant matrix slot time slot, unless the class is informed otherwise. This may result in an exam being held in person on a day of the week when the class would typically meet online.

Students attending classes that are not on the University matrix listed below should consult with their Instructor or course syllabus to find out when and where their examinations will be held. Instructors are encouraged to work out individual accommodations with students who have more than 2 examinations scheduled on one day.
